# Permanent two-lane connector from 580 to northbound Highway 101

# Extended off-ramp to Bellam Boulevard from westbound 580

## LEGEND

- Highway Improvements
- Ramp Improvements
- Sidewalk Improvements
- Bridge Improvements

Caltrans

Transportation Authority of Marin

# New Westbound bridge over Bellam Boulevard

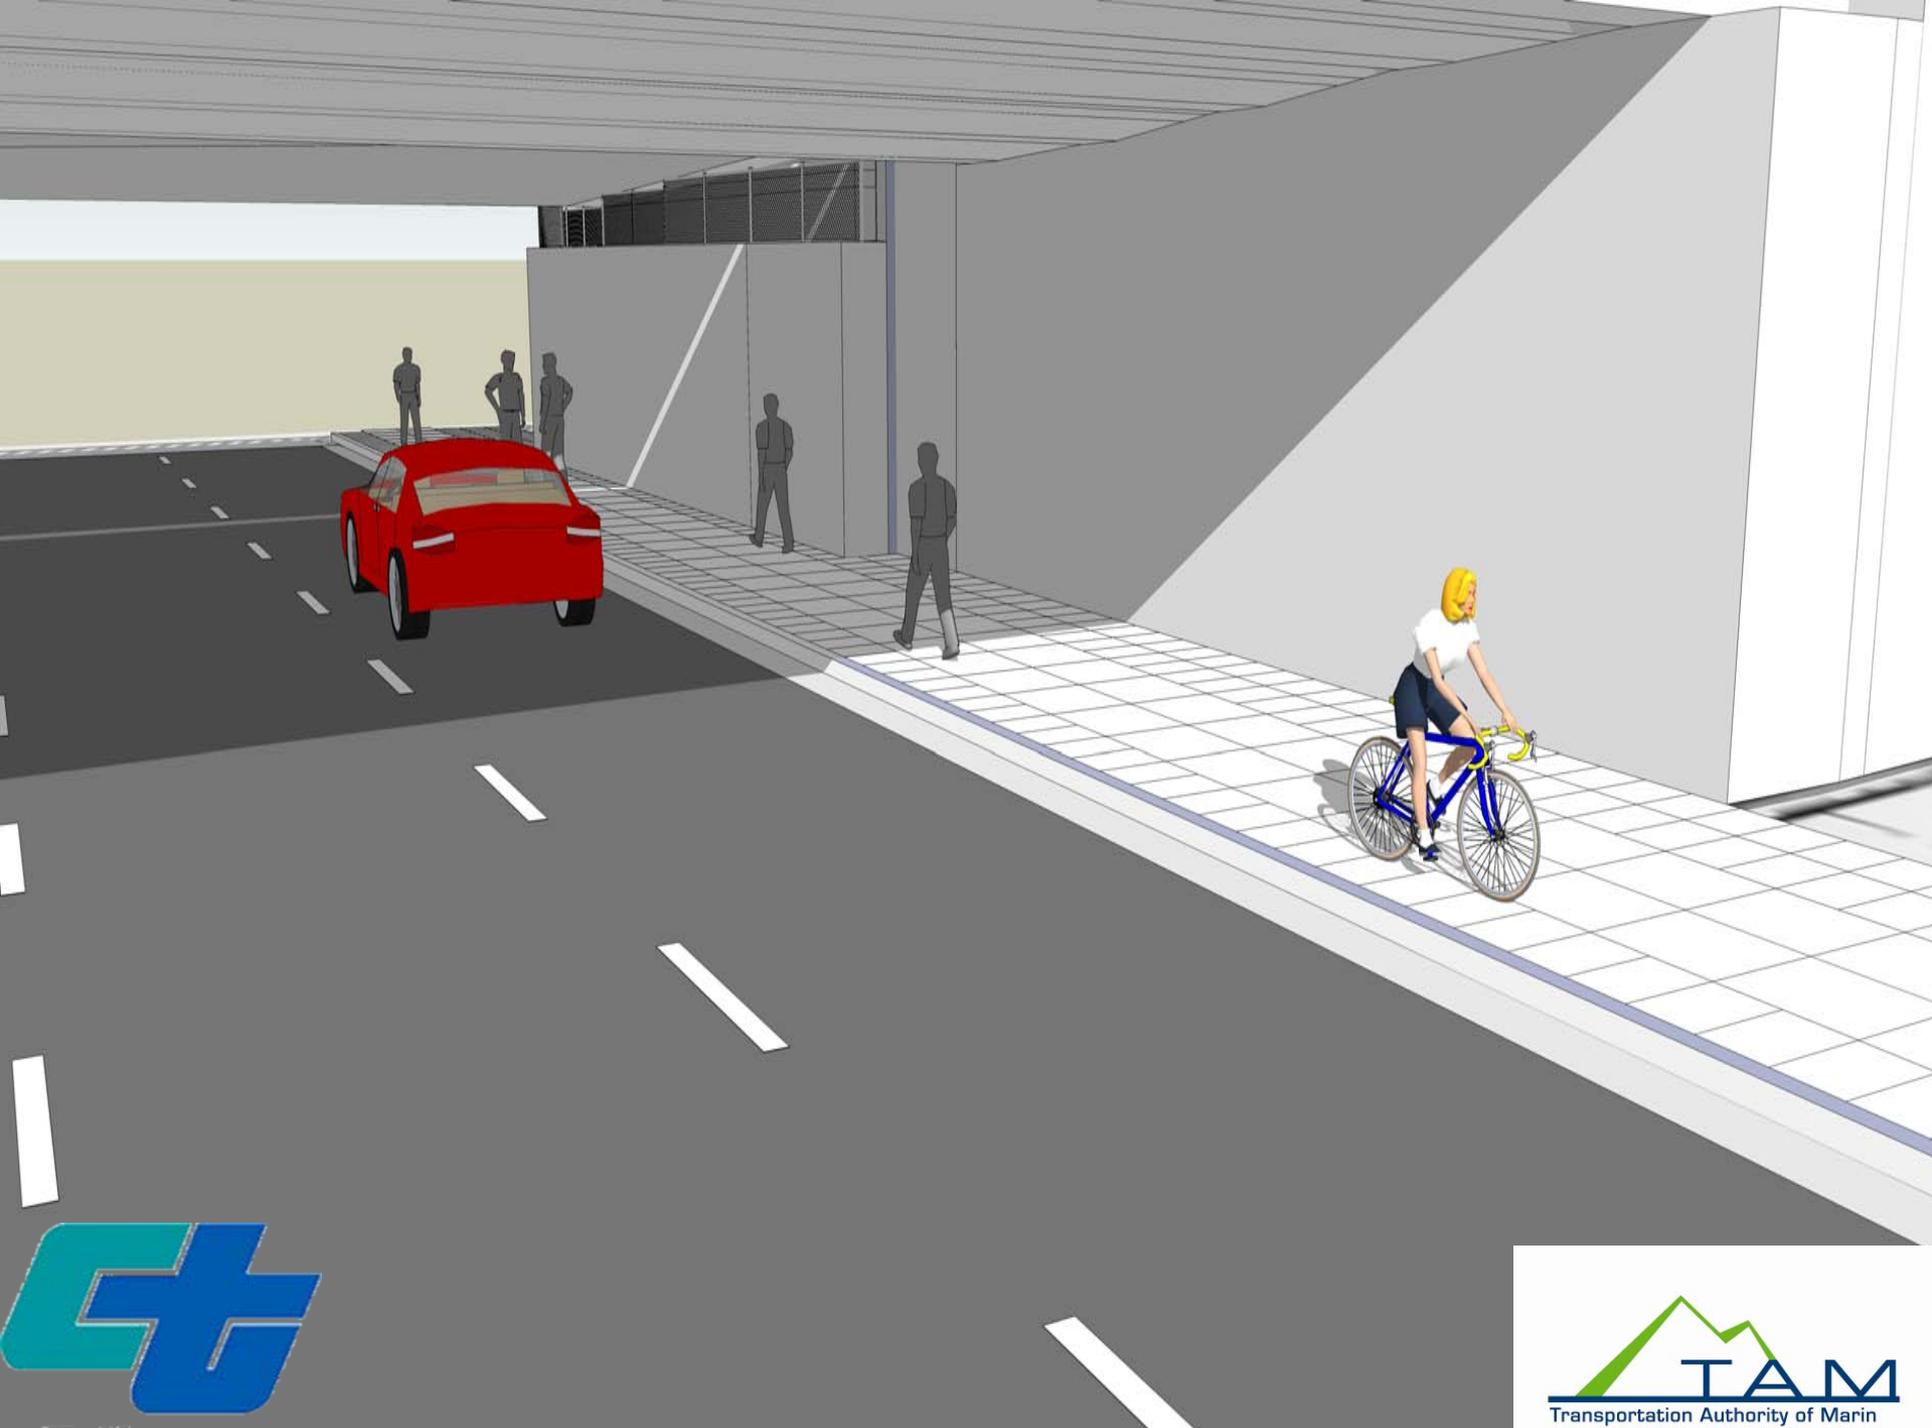

# 580 Profile Improvement (improved sight distance)

# Associated bicycle and pedestrian improvements

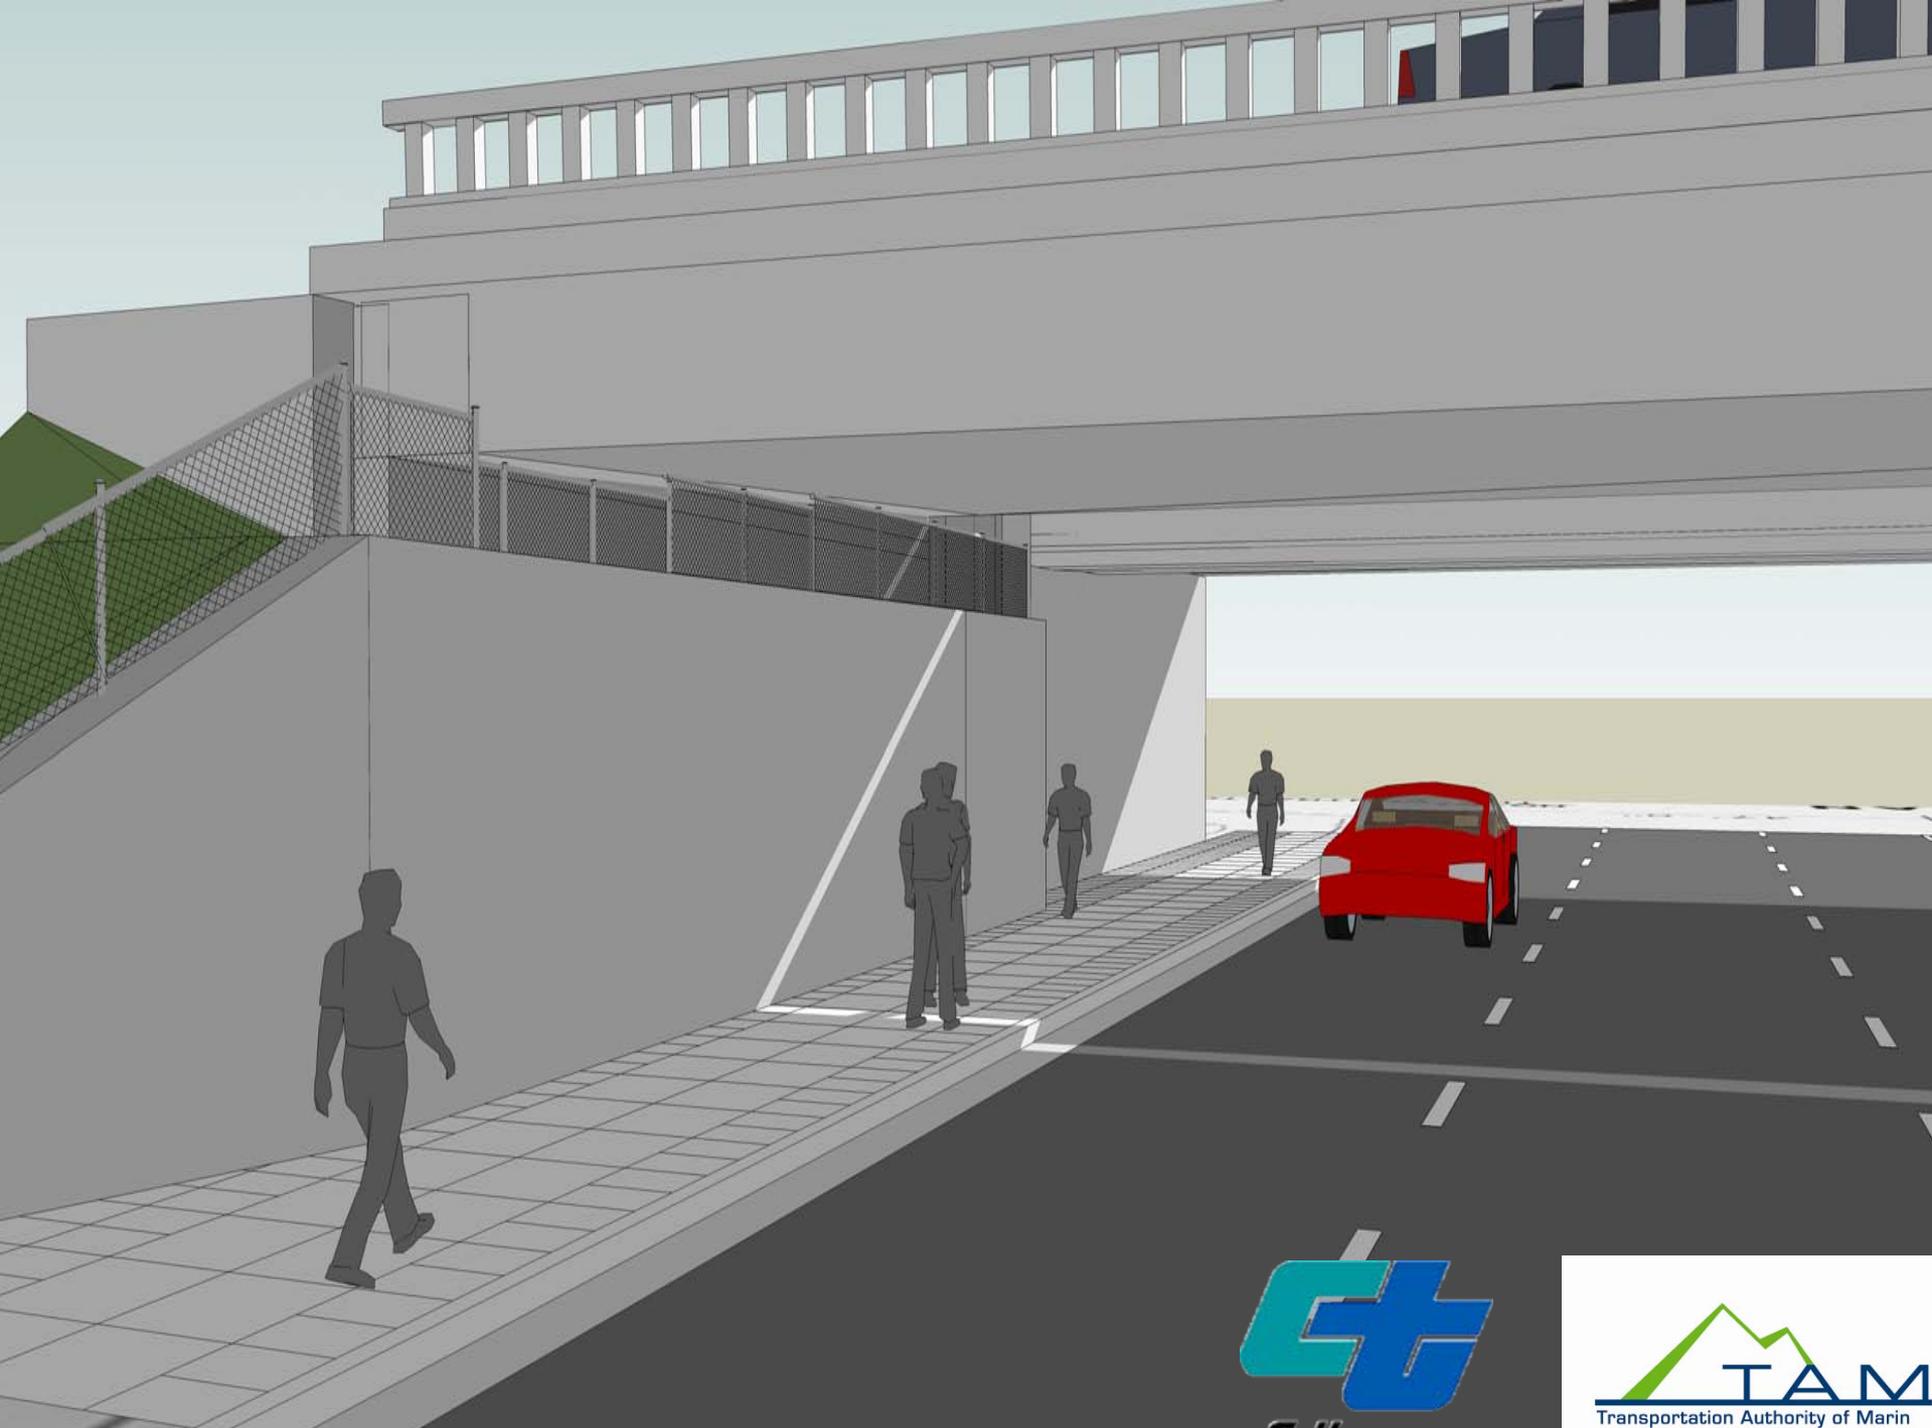

# Key Project Features

- Sidewalk under 580 along Bellam will be widened to nine to twelve feet
- Widening of Bellam Boulevard on-ramp for additional storage and better geometry
- Width of Bellam sidewalks from Francisco to Kerner increased to seven feet
- Width of Francisco Boulevard sidewalks increased to nine to thirteen feet

# Construction Impacts

- 580 reduced to one lane both directions from mid April to September/October
- Right Lane of Bellam Boulevard headed towards Anderson Drive closed for same period
- Temporary partial driveway restrictions for businesses along Bellam and Francisco
- Full nighttime closures of Bellam for bridge work (as required)

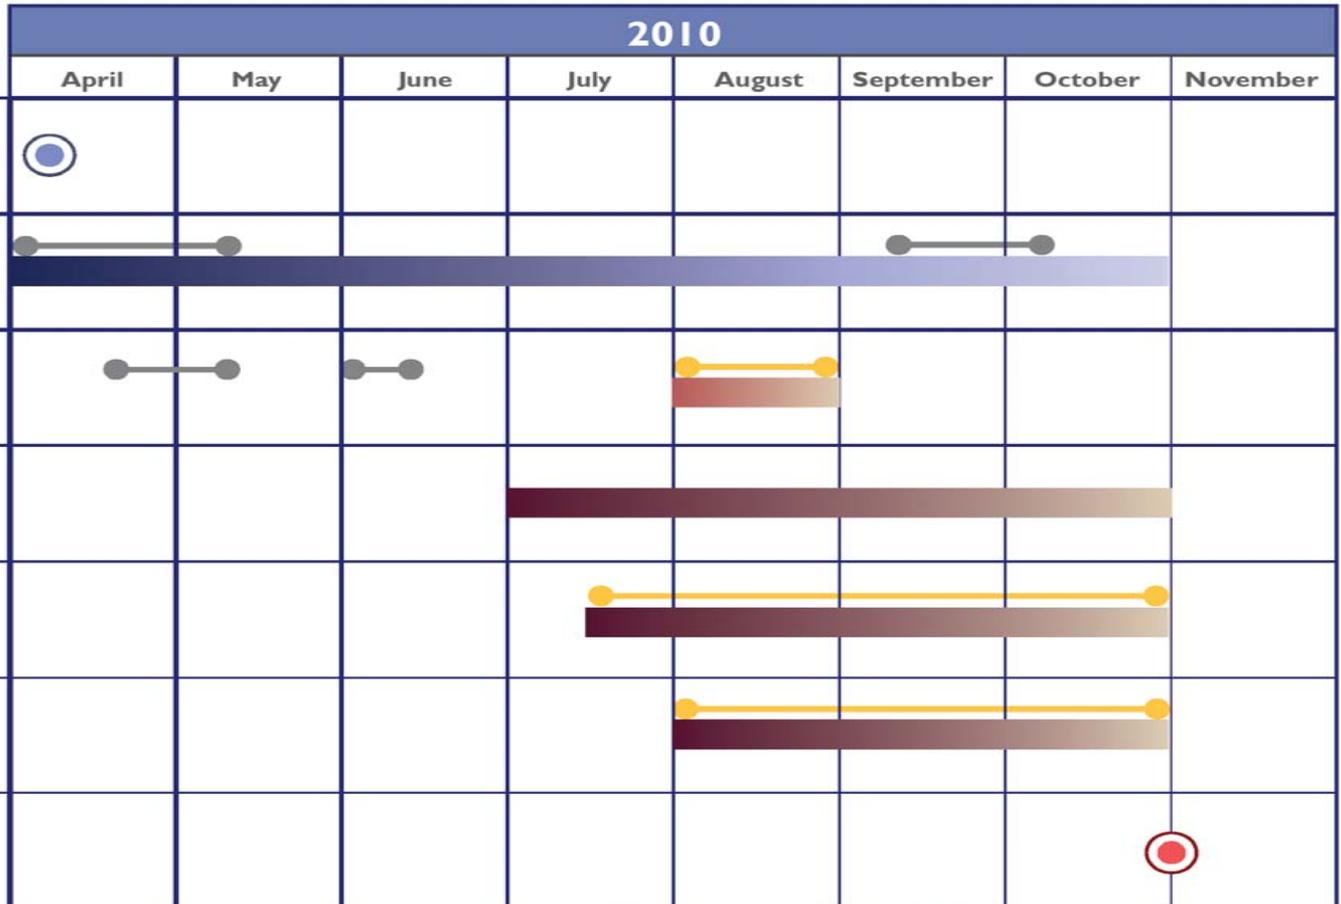

# Project Schedule
