

**DATE:** October 24, 2019

**TO:** Transportation Authority of Marin Board of Commissioners

**FROM:** Anne Richman, Executive Director  
Li Zhang, Chief Financial Officer 

**SUBJECT:** Approval of CalPERS Section 115 Prefunding Agreements and Delegations of Authority Forms (Action) - Agenda Item No. 6e

---

**RECOMMENDATION:**

The TAM Board reviews and approves the Participation Agreements and Delegation of Authority Forms required for the setup of TAM's Section 115 California Employers' Pension Prefunding Trust (CEPPT) and California Employers' Retiree Benefit Trust (CERBT) with California Public Employees' Retirement System (CalPERS).

**BACKGROUND:**

Under the guidance and support of the Human Resource (HR) Ad Hoc Committee early this year, staff recommended, and the TAM Board approved at its February 28, 2019 meeting, the one-time payment of \$338,254 to pay off TAM's unfunded pension liability estimated as of June 30, 2019. The Board also authorized staff to set up two Section 115 Trust Funds to address the pension and Other Post-Employment Benefit (OPEB) liabilities, with initial contributions of \$129,970 for the pension trust and \$27,500 for the OPEB trust at that time.

**DISCUSSION/ANALYSIS:**

*Selection of Section 115 Trust Provider*

With the authorization of the TAM Board, staff talked with four Section 115 Trust providers in the industry since February: CalPERS, PARS, PFM and Keenan. PFM declined to provide a proposal due to TAM's small portfolio size. PARS provided a proposal but the fee structure significantly out-weighs any potential investment return enhancement with TAM's small portfolio size. Between CalPERS and Keenan, staff selected CalPERS based on the quality of the team, fee charged, investment options as well as prior work experiences with both teams. Since CalPERS was in the process of setting up the CEPPT program and didn't announce its availability until mid-August, the implementation of the trust funds was delayed. CalPERS finished TAM's eligibility review process in early October and now we are ready to move forward with the implementation process.

*Update of TAM's Pension Liability*

When TAM paid off its unfunded pension liability early this year, staff was fully aware of the fact that TAM will have a new unfunded amount in the next evaluation with the further reduction of the discount

rate as well as other assumption changes. The June 30, 2018 CalPERS Actuarial Valuation, which was released in late August, shows that TAM's unfunded pension liability as of June 30, 2019 increased by \$116,487 and \$31,022 respectively due to assumption and method changes. On top of that, CalPERS also notified us that TAM's share of the investment gain was credited twice during the TAM/LGS (Local Government Services) separation evaluation. This error, in the amount of \$129,666 as of June 30, 2019, was discovered and adjusted during the June 30, 2018 evaluation. In summary, TAM now will have an unfunded pension liability about \$284,000 as of June 30, 2020.

Due to the relatively small size of TAM's active and retiree pool, any census changes could potentially have a significant impact on the numbers. At this time, instead of trying to make additional payments to address the full amount, staff recommends that we stay with the approved plan, set aside \$129,970 in the Section 115 pension Trusts and use the funds and any return to pay off the annual payment, which is expected to be only \$4,700 with the phase in of several additional assumption changes and less than \$20,000 if all changes would be fully implemented in FY2020-21. On the other hand, staff will bring additional payment options for your consideration if the funded ratio drops below 90% when the 2019 CalPERS Evaluation comes out.

#### **FISCAL CONSIDERATION:**

Anticipated contribution, \$129,970 for the pension trust and \$27,500 for the OPEB trust, is included in the TAM FY2019-20 Annual Budget.

#### **NEXT STEPS:**

Upon approval of the Board, staff will start to work with CalPERS to set up the CEPPT and CERBT accounts for TAM.

(NAME OF EMPLOYER)

**to Prefund Employer Contributions to a Defined Benefit

WHEREAS (1) Government Code (GC) Section 21711(a) establishes in the State Treasury the California Employers' Pension Prefunding Trust Fund (CEPPT), a special trust fund for the purpose of allowing eligible employers to prefund their required pension contributions to a defined benefit pension plan (each an Employer Pension Plan) by receiving and holding in the CEPPT amounts that are intended to be contributed to an Employer Pension Plan at a later date; and

WHEREAS (2) GC Section 21711(b) provides that the California Public Employees' Retirement System (CalPERS) Board of Administration (Board) has sole and exclusive control of the administration and investment of the CEPPT, the purposes of which include, but are not limited to (i) receiving contributions from participating employers; (ii) investing contributed amounts and income thereon, if any, in order to receive yield on the funds; and (iii) disbursing contributed amounts and income thereon, if any, to pay for costs of administration of the CEPPT and to deposit employer contributions into Employer Pension Plans in accordance with their terms; and

WHEREAS (3) **Transportation Authority of Marin**

---

(NAME OF EMPLOYER)

(Employer) desires to participate in the CEPPT upon the terms and conditions set by the Board and as set forth herein; and

WHEREAS (4) Employer may participate in the CEPPT upon (i) approval by the Board and (ii) filing a duly adopted and executed Agreement and Election to Prefund Employer Contributions to a Defined Benefit Pension Plan (Agreement) as provided in the terms and conditions of the Agreement; and

WHEREAS (5) The CEPPT is a trust fund that is intended to perform an essential governmental function (that is, the investment of funds by a State, political subdivision or 115 entity) within the meaning of Internal Revenue Code (Code) Section 115 and Internal Revenue Service Revenue Ruling 77-261, and as an Investment Trust Fund, as defined in Governmental Accounting Standards Board (GASB) Statement No. 84, Paragraph 16, for accounting and financial reporting of fiduciary activities from the

external portion of investment pools and individual investment accounts that are held in a trust that meets the criteria in Paragraph 11c(1).

WHEREAS (6) The CEPPT is not a Code Section 401(a) qualified trust and the assets held in the CEPPT are not assets of any Employer Pension Plan or any plan qualified under Code Section 401(a).

NOW, THEREFORE, BE IT RESOLVED THAT EMPLOYER HEREBY MAKES THE FOLLOWING REPRESENTATION AND WARRANTY AND THAT THE BOARD AND EMPLOYER AGREE TO THE FOLLOWING TERMS AND CONDITIONS:

A. Employer Representation and Warranty

Employer hereby represents and warrants that it is the State of California or a political subdivision thereof, or an entity whose income is excluded from gross income under Code Section 115(1).

B. Adoption and Approval of the Agreement; Effective Date; Amendment

(1) Employer's governing body shall elect to participate in the CEPPT by adopting this Agreement and filing with the Board a true and correct original or certified copy of this Agreement as follows:

Filing by mail, send to: CalPERS  
CEPPT  
P.O. Box 1494  
Sacramento, CA 95812-1494

Filing in person, deliver to: CalPERS Mailroom  
CEPPT  
400 Q Street  
Sacramento, CA 95811

(2) Upon receipt of the executed Agreement, and after approval by the Board, the Board shall fix an effective date and shall promptly notify Employer of the effective date of the Agreement. Employer shall provide the Board such other documents as the Board may request, including, but not limited to a certified copy of the resolution(s) of the governing body of Employer authorizing the adoption of the Agreement and documentation naming Employer's successor entity in the event that Employer ceases to exist prior to termination of this Agreement.

(3) The terms of this Agreement may be amended only in writing upon the agreement of both the Board and Employer, except as otherwise provided herein. Any such amendment or modification to this Agreement shall be adopted and executed in the same manner as required for the Agreement. Upon receipt of the executed amendment or modification, the Board shall fix the effective date of the amendment or modification.

(4) The Board shall institute such procedures and processes as it deems necessary to administer the CEPPT, to carry out the purposes of this Agreement, and to maintain the tax-exempt status of the CEPPT. Employer agrees to follow such procedures and processes.

C. Employer Reports Provided for the Board's Use in Trust Administration and Financial Reporting and Employer Contributions

(1) Employer shall provide to the Board a defined benefit pension plan cost report on the basis of the actuarial assumptions and methods prescribed by Actuarial Standards of Practice (ASOP) or prescribed by GASB. Such report shall be for the Board's use in trust administration and financial reporting and shall be prepared at least as often as the minimum frequency required by applicable GASB Standards. This defined benefit pension plan cost report may be prepared as an actuarial valuation report or as a GASB compliant financial report. Such report shall be:

- 1) prepared and signed by a Fellow or Associate of the Society of Actuaries who is also a Member of the American Academy of Actuaries or a person with equivalent qualifications acceptable to the Board;
- 2) prepared in accordance with ASOP or with GASB; and
- 3) provided to the Board prior to the Board's acceptance of contributions for the reporting period or as otherwise required by the Board.

(2) In the event that the Board determines, in its sole discretion, that Employer's cost report is not suitable for the Board's purposes and use or if Employer fails to provide a required report, the Board may obtain, at Employer's expense, a report that meets the Board's trust administration and financial reporting needs. At the Board's option, the Board may recover the costs of obtaining the report either by billing and collecting such amount from Employer or through a deduction from Employer's Prefunding Account (as defined in Paragraph D(2) below).

(3) Employer shall notify the Board in writing of the amount and timing of contributions to the CEPPT, which contributions shall be made in the manner established by the Board and in accordance with the terms of this Agreement and any procedures adopted by the Board.

(4) The Board may limit Employer's contributions to the CEPPT to the amount necessary to fully fund the actuarial present value of total projected benefit payments not otherwise prefunded through the applicable Employer Pension Plan (Unfunded PVFB), as set forth in Employer's cost report for the applicable period. If Employer's contribution would cause the assets in Employer's Prefunding Account to exceed the Unfunded PVFB, the Board may refuse to accept the contribution. If Employer's cost report for the applicable period does not set forth the Unfunded PVFB, the Board may

refuse to accept a contribution from Employer if the contribution would cause the assets in Employer's Prefunding Account to exceed Employer's total pension liability, as set forth in Employer's cost report.

(5) No contributions are required. Contributions can be made at any time following the effective date of this Agreement if Employer has first complied with the requirements of this Agreement, including Paragraph C.

(6) Employer acknowledges and agrees that assets held in the CEPPT are not assets of any Employer Pension Plan or any plan qualified under Code Section 401(a), and will not become assets of such a plan unless and until such time as they are distributed from the CEPPT and deposited into an Employer Pension Plan.

D. Administration of Accounts; Investments; Allocation of Income

(1) The Board has established the CEPPT as a trust fund consisting of an aggregation of separate single-employer accounts, with pooled administrative and investment functions.

(2) All Employer contributions and assets attributable to Employer contributions shall be separately accounted for in the CEPPT (Employer's Prefunding Account). Assets in Employer's Prefunding Account will be held for the exclusive purpose of funding Employer's contributions to its Employer Pension Plan(s) and defraying the administrative expenses of the CEPPT.

(3) The assets in Employer's Prefunding Account may be aggregated with the assets of other participating employers and may be co-invested by the Board in any asset classes appropriate for a Code Section 115 trust, subject to any additional requirements set forth in applicable law, including, but not limited to, subdivision (d) of GC Section 21711. Employer shall select between available investment strategies in accordance with applicable Board procedures.

(4) The Board may deduct the costs of administration of the CEPPT from the investment income of the CEPPT or from Employer's Prefunding Account in a manner determined by the Board.

(5) Investment income earned shall be allocated among participating employers and posted to Employer's Prefunding Account daily Monday through Friday, except on holidays, when the allocation will be posted the following business day.

(6) If, at the Board's sole discretion and in compliance with accounting and legal requirements applicable to an Investment Trust Fund and to a Code Section 115 compliant trust, the Board determines to its satisfaction that all obligations to pay defined benefit pension plan benefits in accordance with the applicable Employer Pension Plan terms have been satisfied by payment or by defeasance with no remaining risk regarding the amounts to be paid or the value of assets held in the

CEPPT, then the residual Employer assets held in Employer's Prefunding Account may be returned to Employer.

E. Reports and Statements

(1) Employer shall submit with each contribution a contribution report in the form and containing the information prescribed by the Board.

(2) The Board, at its discretion but at least annually, shall prepare and provide a statement of Employer's Prefunding Account reflecting the balance in Employer's Prefunding Account, contributions made during the period covered by the statement, investment income allocated during such period, and such other information as the Board may determine.

F. Disbursements

(1) Employer may receive disbursements from the CEPPT not to exceed, on an annual basis, the amount of the total annual Employer contributions to Employer's Pension Plan for such year.

(2) Employer shall notify the Board in writing in the manner specified by the Board of the persons authorized to request disbursements from the CEPPT on behalf of Employer.

(3) Employer's request for disbursement shall be in writing signed by Employer's authorized representative, in accordance with procedures established by the Board, and the Board may rely conclusively upon such writing. The Board may, but is not required to, require that Employer certify or otherwise demonstrate that amounts disbursed from Employer's Prefunding Account will be used solely for the purposes of the CEPPT. However, in no event shall the Board have any responsibility regarding the application of distributions from Employer's Prefunding Account.

(4) No disbursement shall be made from the CEPPT which exceeds the balance in Employer's Prefunding Account.

(5) Requests for disbursements that satisfy the above requirements will be processed on at least a monthly basis.

(6) The Board shall not be liable for amounts disbursed in error if it has acted upon the written instruction of an individual authorized by Employer to request disbursements, and is under no duty to make any investigation or inquiry about the correctness of such instruction. In the event of any other erroneous disbursement, the extent of the Board's liability shall be the actual dollar amount of the disbursement, plus interest at the actual earnings rate but not less than zero.

G. Costs of Administration

Employer shall pay its share of the costs of administration of the CEPPT, as determined by the Board and in accordance with Paragraph D.

H. Termination of Employer's Participation in the CEPPT

(1) The Board may terminate Employer's participation in the CEPPT if:

- (a) Employer's governing body gives written notice to the Board of its election to terminate; or
- (b) The Board determines, in its sole discretion, that Employer has failed to satisfy the terms and conditions of applicable law, this Agreement or the Board's rules, regulations or procedures.

(2) If Employer's participation in the CEPPT terminates for either of the foregoing reasons, all assets in Employer's Prefunding Account shall remain in the CEPPT, except as otherwise provided below, and shall continue to be invested and accrue income as provided in Paragraph D, and Employer shall remain subject to the terms of this Agreement with respect to such assets.

(3) After Employer's participation in the CEPPT terminates, Employer may not make further contributions to the CEPPT.

(4) After Employer's participation in the CEPPT terminates, disbursements from Employer's Prefunding Account may continue upon Employer's instruction or otherwise in accordance with the terms of this Agreement.

(5) After Employer's participation in the CEPPT terminates, the governing body of Employer may request either:

- (a) A trustee to trustee transfer of the assets in Employer's Prefunding Account to a trust dedicated to prefunding Employer's required pension contributions; provided that the Board shall have no obligation to make such transfer unless the Board determines that the transfer will satisfy applicable requirements of the Code, other law and accounting standards, and the Board's fiduciary duties. If the Board determines that the transfer will satisfy these requirements, the Board shall then have one hundred fifty (150) days from the date of such determination to effect the transfer. The amount to be transferred shall be the amount in Employer's Prefunding Account as of the date of the transfer (the "transfer date") and shall include investment earnings up to an investment earnings allocation date preceding the transfer date. In no event shall the investment earnings allocation date precede the transfer date by more than 150 days.

- (b) A disbursement of the assets in Employer's Prefunding Account; provided that the Board shall have no obligation to make such disbursement unless the Board determines that, in compliance with the Code, other law and accounting standards, and the Board's fiduciary duties, all of Employer's obligations for payment of defined benefit pension plan benefits and reasonable administrative costs of the Board have been satisfied. If the Board determines that the disbursement will satisfy these requirements, the Board shall then have one hundred fifty (150) days from the date of such determination to effect the disbursement. The amount to be disbursed shall be the amount in Employer's Prefunding Account as of the date of the disbursement (the "disbursement date") and shall include investment earnings up to an investment earnings allocation date preceding the disbursement date. In no event shall the investment earnings allocation date precede the disbursement date by more than 150 days.

(6) After Employer's participation in the CEPPT terminates and at such time that no assets remain in Employer's Prefunding Account, this Agreement shall terminate. To the extent that assets remain in Employer's Prefunding Account, this Agreement shall remain in full force and effect.

(7) If, for any reason, the Board terminates the CEPPT, the assets in Employer's Prefunding Account shall be paid to Employer to the extent permitted by law and Code Section 115 after retention of (i) an amount sufficient to pay the Unfunded PVFB as set forth in a current defined benefit pension plan(s) cost report prepared in compliance with ASOP and the requirements of Paragraph C(1), and (ii) amounts sufficient to pay reasonable administrative costs of the Board. Amounts retained by the Board to pay the Unfunded PVFB shall be transferred to (i) another Code Section 115 trust dedicated to prefunding Employer's required pension contributions, subject to the Board's determination that such transfer will satisfy applicable requirements of the Code, other law and accounting standards, and the Board's fiduciary duties or (ii) Employer's Pension Plan, subject to acceptance by Employer's Pension Plan.

(8) If Employer ceases to exist but Employer's Prefunding Account continues to exist, and if no provision has been made to the Board's satisfaction by Employer with respect to Employer's Prefunding Account, the Board shall be permitted to identify and appoint a successor to Employer under this Agreement, provided that the Board first determines, in its sole discretion, that there is a reasonable basis upon which to identify and appoint such a successor and provided further that such successor agrees in writing to be bound by the terms of this Agreement. If the Board is unable to identify or appoint a successor as provided in the preceding sentence, then the Board is authorized to appoint a third-party administrator or other successor to act on behalf of Employer under this Agreement and to otherwise carry out the intent of this Agreement with respect to Employer's Prefunding Account. Any and all costs associated with such appointment shall be paid from the assets attributable to Employer's Prefunding Account. At the Board's option, and subject to acceptance by Employer's Pension Plan,

the Board may instead transfer the assets in Employer's Prefunding Account to Employer's Pension Plan and terminate this Agreement.

(9) If the Board determines, in its sole discretion, that Employer has breached the representation and warranty set forth in Paragraph A., the Board shall take whatever action it deems necessary to preserve the tax-exempt status of the CEPPT.

I. Indemnification

Employer shall indemnify, defend, and hold harmless CalPERS, the Board, the CEPPT, and all of the officers, trustees, agents and employees of the foregoing from and against any loss, liability, claims, causes of action, suits, or expense (including reasonable attorneys' fees and defense costs, lien fees, judgments, fines, penalties, expert witness fees, appeals, and claims for damages of any nature whatsoever) not charged to the CEPPT and imposed as a result of, arising out of, related to or in connection with (1) the performance of the Board's duties or responsibilities under this Agreement, except to the extent that such loss, liability, suit or expense results or arises from the Board's own gross negligence, willful misconduct or material breach of this Agreement, or (2) without limiting the scope of Paragraph F(6) of this Agreement, any acts taken or transactions effected in accordance with written directions from Employer or any of its authorized representatives or any failure of the Board to act in the absence of such written directions to the extent the Board is authorized to act only at the direction of Employer.

J. General Provisions

(4) Waiver

No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Agreement shall be effective unless it is in writing and signed by the party waiving the breach, failure, right, or remedy. A. Representation and Warranty

Employer represents and warrants that it is a political subdivision of the State of California or an entity whose income is excluded from gross income under Section 115 (1) of the Internal Revenue Code.

B. Adoption and Approval of the Agreement; Effective Date; Amendment

Filing by mail, send to:      CalPERS

(2) Upon receipt of the executed Agreement, and after approval by the Board, the Board shall fix an effective date and shall promptly notify Employer of the effective date of the Agreement.

(3) The terms of this Agreement may be amended only in writing upon the agreement of both CalPERS and Employer, except as otherwise provided herein. Any such amendment or modification to this Agreement shall be adopted and executed in the same manner as required for the Agreement. Upon receipt of the executed amendment or modification, the Board shall fix the effective date of the amendment or modification.

(4) The Board shall institute such procedures and processes as it deems necessary to administer the Prefunding Plan, to carry out the purposes of this Agreement, and to maintain the tax exempt status of the Prefunding Plan. Employer agrees to follow such procedures and processes.

C. Other Post-Employment Benefits (OPEB) Cost Reports and Employer Contributions

(1) Employer shall provide to the Board an OPEB cost report on the basis of the actuarial assumptions and methods prescribed by the Board. Such report shall be for the Board's use in financial reporting, and shall be prepared at least as often as the minimum frequency required by applicable GASB OPEB Standards. This OPEB cost report may be prepared as an actuarial valuation report or, if the employer is qualified under GASB OPEB Standards, may be prepared as an Alternative Measurement Method (AMM) report.

- (a) Unless qualified under GASB OPEB Standards, to provide an AMM report, Employer shall provide to the Board an actuarial valuation report. Such report shall be for the Board's use in financial reporting, and shall be prepared at least as often as the minimum frequency required by GASB OPEB Standards, and shall be:
  - 1) prepared and signed by a Fellow or Associate of the Society of Actuaries who is also a Member of the American Academy of Actuaries or a person with equivalent qualifications acceptable to the Board;
  - 2) prepared in accordance with generally accepted actuarial practice and GASB OPEB Standards; and,
  - 3) provided to the Board prior to the Board's acceptance of contributions for the valuation period or as otherwise required by the Board.
- (b) If qualified under GASB OPEB Standards, Employer may provide to the Board an AMM report. Such report shall be for the Board's use in financial reporting, shall be prepared at least as often as the minimum frequency required by GASB OPEB Standards, and shall be:
  - 1) affirmed by Employer's external auditor, or by a Fellow or Associate of the Society of Actuaries who is also a Member of the American Academy of Actuaries or a person with equivalent qualifications acceptable to the Board, to be consistent with the AMM process described in GASB OPEB Standards;
  - 2) prepared in accordance with GASB OPEB Standards; and,
  - 3) provided to the Board prior to the Board's acceptance of contributions for the valuation period or as otherwise required by the Board.

(2) The Board may reject any OPEB cost report for financial reporting purposes submitted to it, but shall not unreasonably do so. In the event that the Board

determines, in its sole discretion, that the OPEB cost report is not suitable for use in the Board's financial statements or if Employer fails to provide a required OPEB cost report, the Board may obtain, at Employer's expense, an OPEB cost report that meets the Board's financial reporting needs. The Board may recover from Employer the cost of obtaining such OPEB cost report by billing and collecting from Employer or by deducting the amount from Employer's account in the Prefunding Plan.

(3) Employer shall notify the Board of the amount and time of contributions which contributions shall be made in the manner established by the Board.

(4) Employer contributions to the Prefunding Plan may be limited to the amount necessary to fully fund Employer's actuarial present value of total projected benefits, as supported by the OPEB cost report for financial reporting purposes acceptable to the Board. As used throughout this document, the meaning of the term "actuarial present value of total projected benefits" is as defined in GASB OPEB Standards. If Employer's contribution causes its assets in the Prefunding Plan to exceed the amount required to fully fund the actuarial present value of total projected benefits, the Board may refuse to accept the contribution.

(5) No contributions are required. Contributions can be made at any time following the effective date of the Agreement provided that Employer has first complied with the requirements of Paragraph C.

#### D. Administration of Accounts, Investments, Allocation of Income

(1) The Board has established the Prefunding Plan as an agent plan consisting of an aggregation of single-employer plans, with pooled administrative and investment functions, under the terms of which separate accounts are maintained for each employer so that the Employer's assets will provide benefits only under the Employer's post-employment benefit plan(s).

(2) All Employer contributions and assets attributable to Employer contributions shall be separately accounted for in the Prefunding Plan (Employer's Prefunding Account).

(3) Employer's Prefunding Account assets may be aggregated with prefunding account assets of other employers and may be co-invested by the Board in any asset classes appropriate for a Section 115 Trust.

(4) The Board may deduct the costs of administration of the Prefunding Plan from the investment income or Employer's Prefunding Account in a manner determined by the Board.

(5) Investment income shall be allocated among participating employers and posted to Employer's Prefunding Account as determined by the Board but no less frequently than annually.

(6) If Employer's assets in the Prefunding Plan exceed the amount required to fully fund the actuarial present value of total projected benefits, the Board, in compliance with applicable accounting and legal requirements, may return such excess to Employer.

### E. Reports and Statements

(1) Employer shall submit with each contribution a contribution report in the form and containing the information prescribed by the Board.

(2) The Board shall prepare and provide a statement of Employer's Prefunding Account at least annually reflecting the balance in Employer's Prefunding Account, contributions made during the period and income allocated during the period, and such other information as the Board determines.

### F. Disbursements

(1) Employer may receive disbursements not to exceed the annual premium and other costs of post-employment healthcare benefits and other post-employment benefits as defined in GASB OPEB Standards.

(2) Employer shall notify CalPERS in writing in the manner specified by CalPERS of the persons authorized to request disbursements from the Prefunding Plan on behalf of Employer.

(3) Employer's request for disbursement shall be in writing signed by Employer's authorized representative, in accordance with procedures established by the Board. The Board may require that Employer certify or otherwise establish that the monies will be used for the purposes of the Prefunding Plan.

(4) Requests for disbursements that satisfy the requirements of paragraphs (2) and (3) will be processed monthly.

(5) CalPERS shall not be liable for amounts disbursed in error if it has acted upon the written instruction of an individual authorized by Employer to request disbursements. In the event of any other erroneous disbursement, the extent of CalPERS' liability shall be the actual dollar amount of the disbursement, plus interest at the actual earnings rate but not less than zero.

(6) No disbursement shall be made from the Prefunding Plan which exceeds the balance in Employer's Prefunding Account.

### G. Costs of Administration

Employer shall pay its share of the costs of administration of the Prefunding Plan, as determined by the Board.

H. Termination of Employer Participation in Prefunding Plan

(1) The Board may terminate Employer's participation in the Prefunding Plan if:

- (a) Employer gives written notice to the Board of its election to terminate;
- (b) The Board finds that Employer fails to satisfy the terms and conditions of this Agreement or of the Board's rules or regulations.

(2) If Employer's participation in the Prefunding Plan terminates for any of the foregoing reasons, all assets in Employer's Prefunding Account shall remain in the Prefunding Plan, except as otherwise provided below, and shall continue to be invested and accrue income as provided in Paragraph D.

(3) After Employer's participation in the Prefunding Plan terminates, Employer may not make contributions to the Prefunding Plan.

(4) After Employer's participation in the Prefunding Plan terminates, disbursements from Employer's Prefunding Account may continue upon Employer's instruction or otherwise in accordance with the terms of this Agreement.

(5) After the Employer's participation in the Prefunding Plan terminates, the governing body of the Employer may request either:

- (a) A trustee to trustee transfer of the assets in Employer's Prefunding Account; provided that the Board shall have no obligation to make such transfer unless the Board determines that the transfer will satisfy applicable requirements of the Internal Revenue Code, other law and accounting standards, and the Board's fiduciary duties. If the Board determines that the transfer will satisfy these requirements, the Board shall then have one hundred fifty (150) days from the date of such determination to effect the transfer. The amount to be transferred shall be the amount in the Employer's Prefunding Account as of the date of the transfer (the "transfer date") and shall include investment earnings up to an investment earnings allocation date preceding the transfer date. In no event shall the investment earnings allocation date precede the transfer date by more than 150 days.
- (b) A disbursement of the assets in Employer's Prefunding Account; provided that the Board shall have no obligation to make such disbursement unless the Board determines that, in compliance with the Internal Revenue Code, other law and accounting standards, and the Board's fiduciary duties, all of Employer's obligations for payment of post-employment health care benefits and other post-employment benefits and reasonable administrative costs of the Board have been satisfied. If the Board determines that the disbursement will satisfy these requirements, the

Board shall then have one hundred fifty (150) days from the date of such determination to effect the disbursement. The amount to be disbursed shall be the amount in the Employer's Prefunding Account as of the date of the disbursement (the "disbursement date") and shall include investment earnings up to an investment earnings allocation date preceding the disbursement date. In no event shall the investment earnings allocation date precede the disbursement date by more than 150 days.

(6) After Employer's participation in the Prefunding Plan terminates and at such time that no assets remain in Employer's Prefunding Account, this Agreement shall terminate.

(7) If, for any reason, the Board terminates the Prefunding Plan, the assets in Employer's Prefunding Account shall be paid to Employer after retention of (i) amounts sufficient to pay post-employment health care benefits and other post-employment benefits to annuitants for current and future annuitants described by the employer's current substantive plan (as that term is used in GASB OPEB Standards), and (ii) amounts sufficient to pay reasonable administrative costs of the Board.

(8) If Employer ceases to exist but Employer's Prefunding Plan continues to exist and if no provision has been made by Employer for ongoing payments to pay post-employment health care benefits and other post-employment benefits to annuitants for current and future annuitants, the Board is authorized to and shall appoint a third party administrator to carry out Employer's Prefunding Plan. Any and all costs associated with such appointment shall be paid from the assets attributable to contributions by Employer.

(9) If Employer should breach the representation and warranty set forth in Paragraph A., the Board shall take whatever action it deems necessary to preserve the tax-exempt status of the Prefunding Plan.
