How It Works

To receive the up to \$5 discount, participants must:

- Download the Lyft app and Register for an account
- Use Lyft's Shared ride option on the Lyft app, allowing passengers on a similar route to share rides
- Enter the promo code GET2SMART to receive up to \$5 credit on up to 40 trips per month. The number of trips will be automatically renewed each month.
- For those without smartphones or those who need a wheelchair accessible vehicle, call Whistlestop at 415-454-0998 to arrange for your Lyft ride. Rides are encouraged to be scheduled in advance. Be sure to mention the GET2SMART program
- Begin or end the ride at a SMART station in Marin County during the SMART hours of operations Monday through Friday, including San Marin, Downtown Novato, Hamilton, Marin Civic Center, San Rafael, and Larkspur SMART Stations.
- Passenger must pay for the first \$2 of their Shared ride, and TAM will cover the next \$5.
