

**SAVE THE DATE! Tuesday, July 27, 1:30–3:00 p.m.**

# Marin County Public Agencies EV Fleet Workshop

Hosted by Transportation Authority of Marin (TAM)

**TAM invites public agencies in Marin County to join local, regional and state agencies to discuss electrification and clean fleet technology options for public agency fleets.** Marin Public Agencies have taken the lead by committing to reducing greenhouse gas emissions, and this webinar will present opportunities for the procurement of the next generation of fleet vehicles and charging infrastructure.

This meeting is for planning, public works, emergency services, school districts, parks departments, and other special districts to support the replacement of medium and heavy-duty vehicles, school buses, ferries, and more!

**Learn about financial incentives and rebates with presentations by:**

- TAM
- PG&E
- MCE
- BAAQMD
- Calstart/HVIP

**Have a specific question in advance for presenters?**

Please let us know so we understand your interests!
