

***Want to make a difference in
Bay Area transportation?***

The Transportation Authority of Marin (TAM) is looking for a new Transportation Planner. We are

seeking candidates with a bachelor's degree in Planning, two or more years of experience including with transportation projects, programs, and planning or related field. This is an exceptional opportunity to advance your career in public transportation with an amazing agency and make an impact!

Please send your cover letter and resume to Melanie Purcell, Director of Finance & Administration at mpurcell@tam.ca.gov. The position is open until filled with the first review of applications on September 11, 2026.

Associate Transportation Planner (Range 18: \$8,680 - \$10,576/month)

This position learns to manage, organize and coordinate assigned projects and areas of responsibilities that include community based transportation planning, transportation analyses and studies, travel demand modeling and data collection and management, management of climate initiative programs including electric vehicle infrastructure and sea level rise adaptation, transportation demand management programs, transportation land use and climate planning coordination and transit oriented community activities.

Experience: Two or more years of increasingly responsible professional transportation planning, project, or program experience.

Training: Equivalent to a bachelor's degree from an accredited college or university with major coursework in planning or related field.
